

For over 100 years, the American Cancer Society (ACS) has worked relentlessly to save lives and create a world with less cancer. Together with millions of our supporters worldwide, it helps people stay well and get well, find cures, and fight back against cancer. HQ: Atlanta, GA

Driven by the simple premise that work works, The Doe Fund's centerpiece initiative Ready, Willing & Able ends devastating cycles of homelessness, incarceration, and addiction through paid transitional work and training, safe and comfortable housing, education, job readiness and placement, and lifelong graduate resources. HQ: New York, NY

The largest nonprofit dedicated to funding research aimed at treating and ultimately curing Epidermolysis Bullosa, a group of devastating and life-threatening genetic skin disorders that affect children from birth. EB is devastating, and currently without a cure. HQ: New York, NY

The mission of the Cystic Fibrosis Foundation is to cure cystic fibrosis and to provide all people with the disease the opportunity to lead full, productive lives by funding research and drug development, promoting individualized treatment, and ensuring access to high-quality, specialized care. CF is a life-threatening, genetic disease that causes persistent lung infections and progressively limits the ability to breathe. HQ: Bethesda, MD

TeletonUSA has strong roots in the Hispanic community and its traditions. It strives to promote essential values, including family, love, solidarity and trust, and has made it its goal to help children with disabilities, cancer and autism in the United States. Their slogan "Hispanic families united to help our children" is emblematic of their goal. HQ: Woodland Hills, CA, San Antonio, TX

The St. Baldrick's Foundation is a volunteer-powered charity committed to funding the most promising research to find cures for childhood cancers and give survivors long, healthy lives. More children are lost to cancer in the U.S. than any other disease - in fact, more than many other childhood diseases combined. Worldwide, a child is diagnosed every 3 minutes. HQ: Monrovia, CA

The Market Street Mission ministers to the homeless, helpless, and hopeless in Northern NJ, by meeting their physical, emotional, and spiritual needs through a structured program which enables them to lead responsible, productive lives. It assists individuals overcome homelessness, addiction and poverty. HQ: Morristown, NJ
